Get your child active and teach them valuable digital skills at one of our unique Holiday Clubs.

Blending digital learning, social mobility, healthy eating education and physical activities for the ultimate fun day.

\*T&C's apply. Limited places available. This club is for Pupil Premium supported families. Contact your Local Authority to check if you qualify.

My son attended Jam Coding sessions during the school holidays. The staff running them made him feel welcome and settled. He genuinely loved the sessions and was absolutely buzzing each day when I collected him. The staff definitely further ignited a passion for coding/robotics and the sessions were so well put together.
