

## **WELCOME TO OUR SCHOOL**

Dear Parents and Carers

Firstly I would like to thank you for choosing our school and secondly to offer you the warmest of welcomes.

I feel very proud to be the Headteacher of Astley Park School, the pupils, parents, staff and governors all do a remarkable job of making us a very special school indeed.

As a school we all go the extra-mile to help and support each other to enable everyone to be the best they can be.

It is a happy, safe and nurturing school where learning is fun; achievements no matter how small are recognised and rewarded. Pupils can be themselves and their differences and uniqueness is celebrated and appreciated by everyone.

We pride ourselves on the positive and trusting relationships we build with our parents, carers and our pupils.

I look forward to getting to know you and your son or daughter and watching them flourish and thrive at our school.

We have a very good website that also includes lots of useful information and also showcases some of the fantastic work we do. [www.astleypark.lancs.sch.uk/school-info/admissions](http://www.astleypark.lancs.sch.uk/school-info/admissions).

If you have any questions please feel free to contact either myself or Mrs Patterson our Parent & Carer Support Manager and we will be happy to help you in any way we can.

Thank you once again for choosing our school and I'll look forward to seeing you soon.

Mr Kieran Welsh
