

What's Happening in Year 11G this Half Term?

Spring 2

Learning Activities

In the core subjects of English and Maths pupils will continue to further their functional skills with a series of trips in to the community.

When in class our **English** sessions will continue the focus around the topic 'Detectives'. The class will look at what skills are needed to be a detective and rehearse activities such as interviewing and roleplay. We will also participate in World Book and explore the theme of Animals in literacy.

Maths lessons will continue to develop our pupils number skills but with a strong emphasis on time (analogue & digital) to further develop life skills. Our pupils will be given tasks such as reading timetables and

solving time problems involving calculating how much time has passed. The activities will continue to be differentiated to meet the ability of each child.

Science will continue to focus on the Chemistry topic - Elements, Mixtures and Compounds. This unit will see pupils explore which materials have good thermal and electrical conductivity in a series of investigations. We will use equipment such as circuit boards, batteries, buzzers, thermometers and timers.

Computing will see pupils plan, design and create presentations using soft-

ware such as PowerPoint and apple clips.

Our **ASDAN** theme this term is 'Making the Most of Our Leisure Time'. This will see the class explore what free and paid for activities we can access in our communities and try new activities which may interest us and improve our fitness.

Online safety will see pupils look at how to avoid scams and fake websites. We will also revisit the importance of passwords and how to keep them safe.

Other Curriculum Activities

This half term **PE** will take place on **Monday** mornings and will see pupils try the sport Tag Rugby. We have a specialist coach coming into school to run these sessions from the Rugby League club Sale Sharks! Pupils should wear tracksuit bottoms, t-shirt and their leavers hoody. **Food Technology** will continue on Thursday mornings

We use circle times this half term to discuss college and leaving school as we prepare our pupils for leaving Astley Park as well as begin a count down chart.

Special points of interest:

Prom will take place on the 27/06/18. Pupils tickets are available for £20 payment can be made in increments.

There will be 3 non-uniform days this half term;

02/03/18, 09/03/18, 16/03/18. Donations will help provide prizes for the Easter Bingo
