

21st January 2019

Dear Parent/Carer,

We have an exciting opportunity for our year 11 students. The National Citizen Service are offering a Challenge programme which is open to all ability levels. The details of the Challenge are in the letter attached and we would urge you to consider this option for your child. It is an amazing opportunity to improve personal and social development and take part in exciting new activities. We have therefore arranged for a student and parent/carer session to be delivered by the NCS to take place here at school at 1.30pm - 3.00pm on Wednesday 13th February 2019. The session will be full of activities and information on the course.

The cost of the 18 day course is £30 if booked within a week of the presentation and £50 thereafter. Financial assistance is offered for those that meet the criteria and transport can also be arranged if required. The courses run at different times throughout the summer.
